#### **9/1 Chairman of the Committee**

It was noted that the Committee Members had all indicated in writing to the Secretary that they wished to take advantage of the change in Access Dispute Rule A3.5 which came into effect on 2nd December 1995, and in particular to substitute the date of 1st April 1996 for that of 1st April 1995 in line 1 of that Rule. The Regulator had formally approved this and an appropriate note of advice had been dispatched to all Industry Parties. This enabled Terry Worrall formally to resume his position as Chairman of the Committee, and in this capacity he welcomed Grahame Cooper to his first meeting of the Committee.

#### **9/2 References AD1 and AD2**

The Committee then considered the references AD1 received from North West Regional Railways and AD2 received from South Wales & West Railway Limited. A record of the consideration of these references and the resultant Determination AD1 of the Committee is attached. The Secretary was instructed to disseminate this Determination quickly to the Railway Industry.

#### **9/3 Date of the next meeting**

13th December 1995 at Railtrack HQ commencing at 10.00.
