

## **TTP2684**

### **Final note**

The Determination issued on 16 October 2025 was described as an Interim Determination, as one issue (relating to 6L34) was adjourned to permit the Parties to reach a settlement.

The Claim in relation to that issue was withdrawn on 17 February 2026, therefore the Interim Determination is now to be regarded as a Final Determination of the matters decided by the TTP.

This note will be circulated to the Dispute and Involved Parties, and copied to the ORR.
