Operator Name	Status V1	Cap Study Cat V1	Operator Comments V1	NR Response V1
GBRF	Green		week 01 possession Shawfields to Terminus Jn - potential impact to Royal Scotsman	NR Scotland met with GBRF (Kev Adlam) and Belmond Royal Scotsman on 04/10 and shared the 2026 plan and believe alternative options are being considered for the affected tour if running on this date.
GBRF	Red	Severity 4	Week 02 possessions 4080577, 4080618 aligned with LNWN WCML blocks, however GB Railfreight has concerns regarding the ability to divert traffic via the ECML. There are also LNE blocks in the Sunderland area that will impact capacity on the ECML. The LNWN blocks are also challenged because of this. Please publish Section 4s between Mossend and ECML as NPP during this period.	Protected paths have been input for Section 5 strategy possessions to advise of diversions.
GBRF	Red	Severity 4	Week 03 possessions 4080620, 4080633 aligned with LNWN WCML blocks, however GB Railfreight has concerns regarding the ability to divert traffic via the ECML. There are also LNE blocks in the Sunderland area that will impact capacity on the ECML. The LNWN blocks are also challenged because of this. Please publish Section 4s between Mossend and ECML as NPP during this period.	Protected paths have been input for Section 5 strategy possessions to advise of diversions.
GBRF	Red	Severity 4	Week 04 possession 4080601, GB Railfreight has concerns regarding the ability to divert traffic via the ECML. There is also an LNE block in the Sunderland area that will impact capacity on the ECML. Please publish Section 4s between Mossend and ECML as NPP during this period.	Possession has been moved to Week 3 to align with NW&C - now detailed on maps.
GBRF	Red	Severity 4	Week 06 possessions 4080729, GB Railfreight has concerns regarding the ability to divert traffic via the ECML. There is also an LNE block in the Sunderland area that will impact capacity on the ECML. Please publish Section 4s between Mossend and ECML as NPP during this period.	Possession has been moved to Week 3 to align with NW&C - now detailed on maps.
GBRF	Yellow		Week 07 WCML 29hr blocks - please publish Section 4s between Mossend and ECML as NPP during this period	Possession has been moved to Week 2/3 to align with NW&C - now detailed on maps.

Appendix 2.1

GBRF	Red	Week 16 16 day blockade at Kilmarnock - this is likely to hit the Royal Scotsman as well as Aviation fuel traffic at a time when tourism is high - please look at moving this block outside peak tourism times.	We have redated this work to avoid the Commonwealth Games which will be hosted in Glasgow in July. This access now sits Weeks 6 to 8. NR Scotland met with GBRF (Kev Adlam) and Belmond Royal Scotsman on 04/10 and believe Wemyss Bay will be used as an alternative stabling location during the Kilmarnock closure.
GBRF	Red	Week 17 16 day blockade at Kilmarnock - this is likely to hit the Royal Scotsman as well as Aviation fuel traffic at a time when tourism is high, also possession 4082917 on this week - please look at moving this block outside peak tourism times.	We have redated this work to avoid the Commonwealth Games which will be hosted in Glasgow in July. This access now sits Weeks 6 to 8. NR Scotland met with GBRF (Kev Adlam) and Belmond Royal Scotsman on 04/10 and believe Wemyss Bay will be used as an alternative stabling location during the Kilmarnock closure.
GBRF	Red	Week 18 16 day blockade at Kilmarnock - this is likely to hit the Royal Scotsman as well as Aviation fuel traffic at a time when tourism is high, also possession 4082917 on this week - please look at moving this block outside peak tourism times.	We have redated this work to avoid the Commonwealth Games which will be hosted in Glasgow in July. This access now sits Weeks 6 to 8. NR Scotland met with GBRF (Kev Adlam) and Belmond Royal Scotsman on 04/10 and believe Wemyss Bay will be used as an alternative stabling location during the Kilmarnock closure.
GBRF	Yellow	Week 19 possession 4082784 please move to a winter week - possession impacts on BA Aviation fuel traffic.	As per comments above re Commonwealth games but this possession has still to be redated.
