Dear Sirs

Directions relating to Timetabling Disputes TTP371, TTP513, TTP514, TTP570 and TTP571

At the directions hearing held today (at which your companies were represented), it was confirmed that application should be made to the Allocation Chair for an order that Timetabling Disputes TTP371, TTP513, TTP514, TTP570 and TTP571 be joined, heard and resolved together in the interests of efficient and fair resolution, ADR Rule B20 referring. This will be progressed by the Committee Secretary.

It was agreed at the directions hearing that the parties to dispute TTP371 should be amended to become Freightliner Ltd and Freightliner Heavy Haul Ltd. The parties do not dissent from dispute TTP371 being heard under the current Access Dispute Resolution Rules in spite of the fact that the dispute was registered before the current Rules came into force on 1 August 2010.

The Timetabling Panel hearing is set for Wednesday 19 June and Thursday 20 June 2013 at the offices of the Access Disputes Committee, commencing at 10 00 on the Wednesday morning. I direct that the timetable and procedure set out in ADR Rule H21 shall be varied such that Freightliner Ltd and Freightliner Heavy Haul Ltd (together, "FL") shall jointly serve a sole reference document by 15 00 on Friday 10 May and Network Rail shall serve a response document by 15 00 on Friday 7 June. If FL wishes to make any formal reply to Network Rail's response in advance of the Panel hearing, FL should apply to me (via the Committee Secretary) for leave to do so.

Documents are to be served by e-mail using the following addresses:-

Committee Secretary sec.adc@btconnect.com

FL JBird@freightliner.co.uk

Yours faithfully
